

*What are you able to build with
your blocks?*

*Castles and palaces, temples
and docks.*

*Rain may keep raining,
and others go roam.*

*But I can be happy and
building at home*

-Robert Louis Stevenson
A Child's Garden of Verses

Your purchase of a building block on the Healthcare Foundation's Blessed Beginnings wall in the Glendale Adventist Medical Center Maternity Center is a wonderful commemoration of the birth of a loved one. And while you build memories that will last for generations, you also help build a healthy future for our community.

Funds raised by the Healthcare Foundation are dedicated to helping the hospital fulfill its mission of caring for our community. As a not-for-profit institution, Glendale Adventist Medical Center strives to prudently meet the healthcare needs of those we serve. Your support of our programs allows us to purchase equipment and provide services that might not be otherwise available.

Mission

Glendale Adventist Medical Center is caring people...working together with our community to promote healing, health and wellness for the whole person.

Committed to servanthood as exemplified by the life of Christ, for our guests this means that the management, medical staff and employees of Glendale Adventist Medical Center will:

- Place your needs first,
- Respect and protect your rights,
- Allocate and use resources effectively for your benefit, and
- Provide service with the highest level of competency and caring.
